P-OFF™

Powered by **ProVetLogic™**

All Seasons
SYNTHETIC TURF
Greener · Tougher · Better

The Source

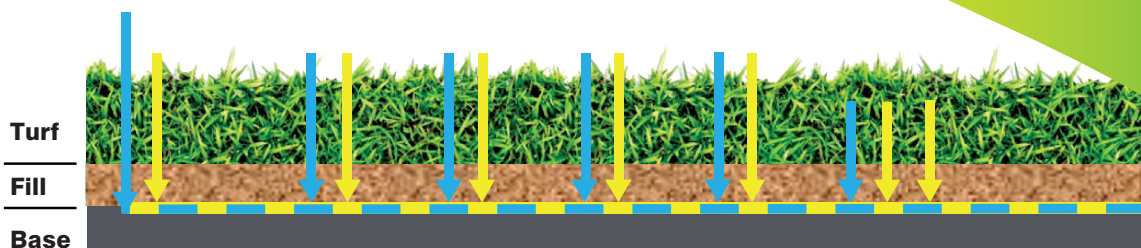

**Bio enzymatic
Synthetic Pet
Turf & Concrete**

Cleaner and Deodorizer

**Don't forget to
treat the fencing,
pots, garden furniture
and play structures**

The Solution

Unlike standard cleaners and deodorizers, the active ingredients in **P-OFF** will penetrate the turf surface, travel through the fill material and into the base substrate. The solution will follow the path of the animal urine and other waste matter and continue to degrade the disease and odor causing organic matter until it is **eliminated!**

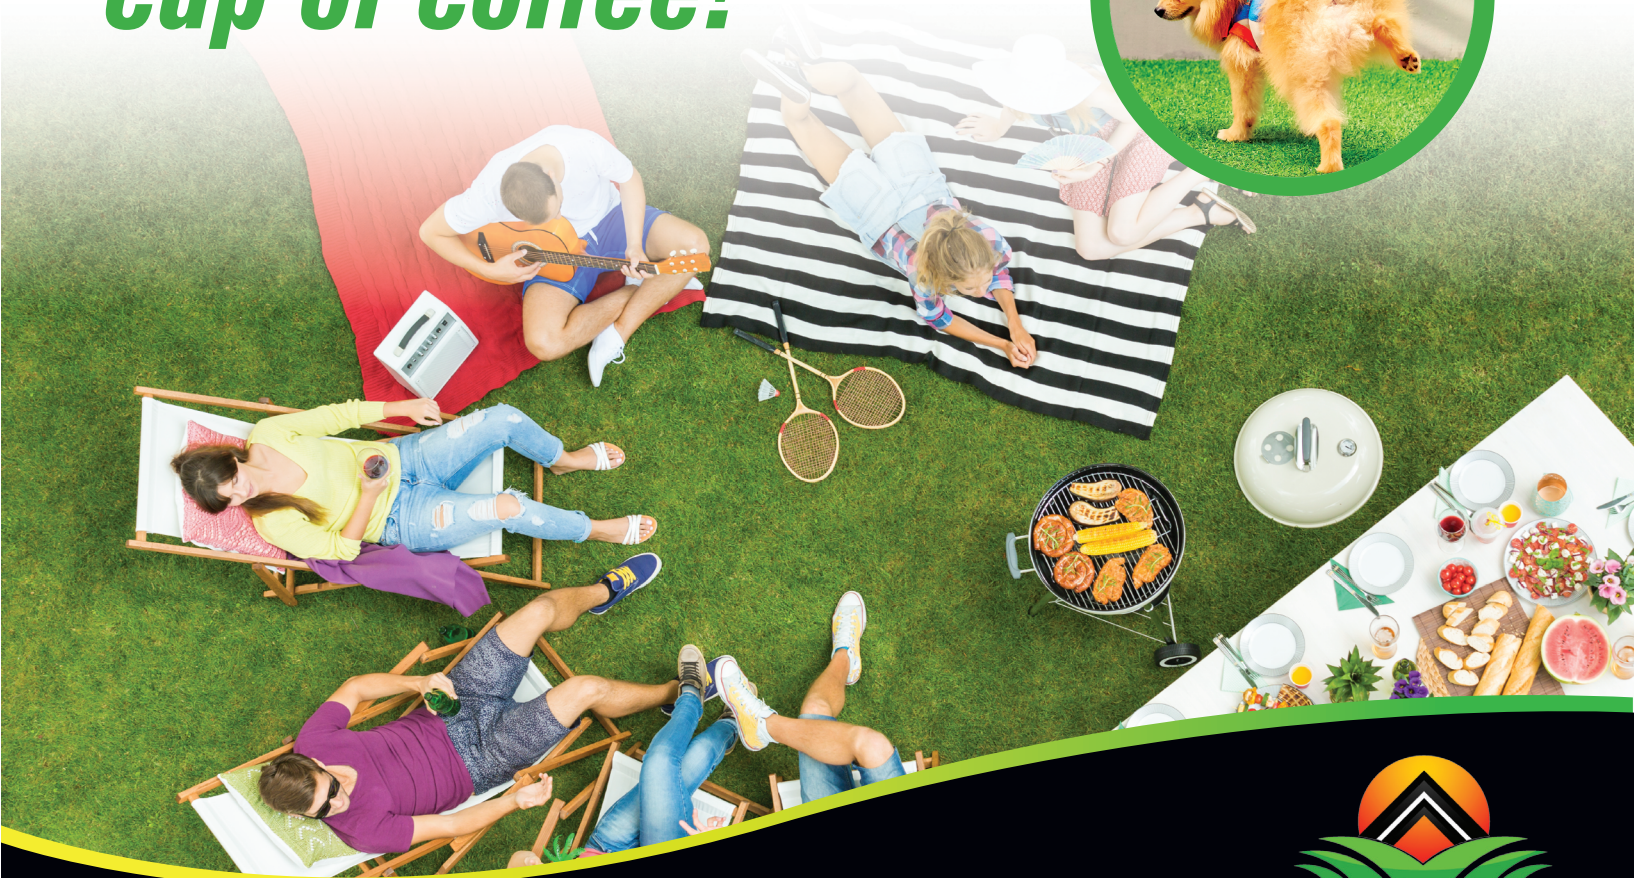

P-OFF™

Powered by **ProVetLogic**

making the animal world a better place

***Cost effect
concentrated
formula.***

***Treat your lawn
for less then a
cup of coffee!***
