# OUR OLYMPIA COOLPLUS SEEN AT:

- 8 Olympic Games including Paris 2024
- 2018, 2022 & 2026 Hockey World Cups
- 2018 & 2022 Asian Games
- 6 Commonwealth Games
- 2024 Hockey 5s World Cup, Oman
- 70% of FIH Hockey Pro League matches
- 169 FIH certified turfs

OLYMPIA COOLPLUS

This market-first synthetic hockey turf features filaments that are supported from over 60% rapidly renewable materials (sugarcane technology). They are supported by a shock pad that consists of fully recycled materials and a binder which is made by capturing CO<sub>2</sub> gas. In addition, the turf requires a third less water than those used in previous Olympic Games.

# BRING THE COURSE HOME

With our Masters Pro Putt turf

## WHY CHOOSE OUR MASTERS PRO PUTT?

### Pro-Level Performance

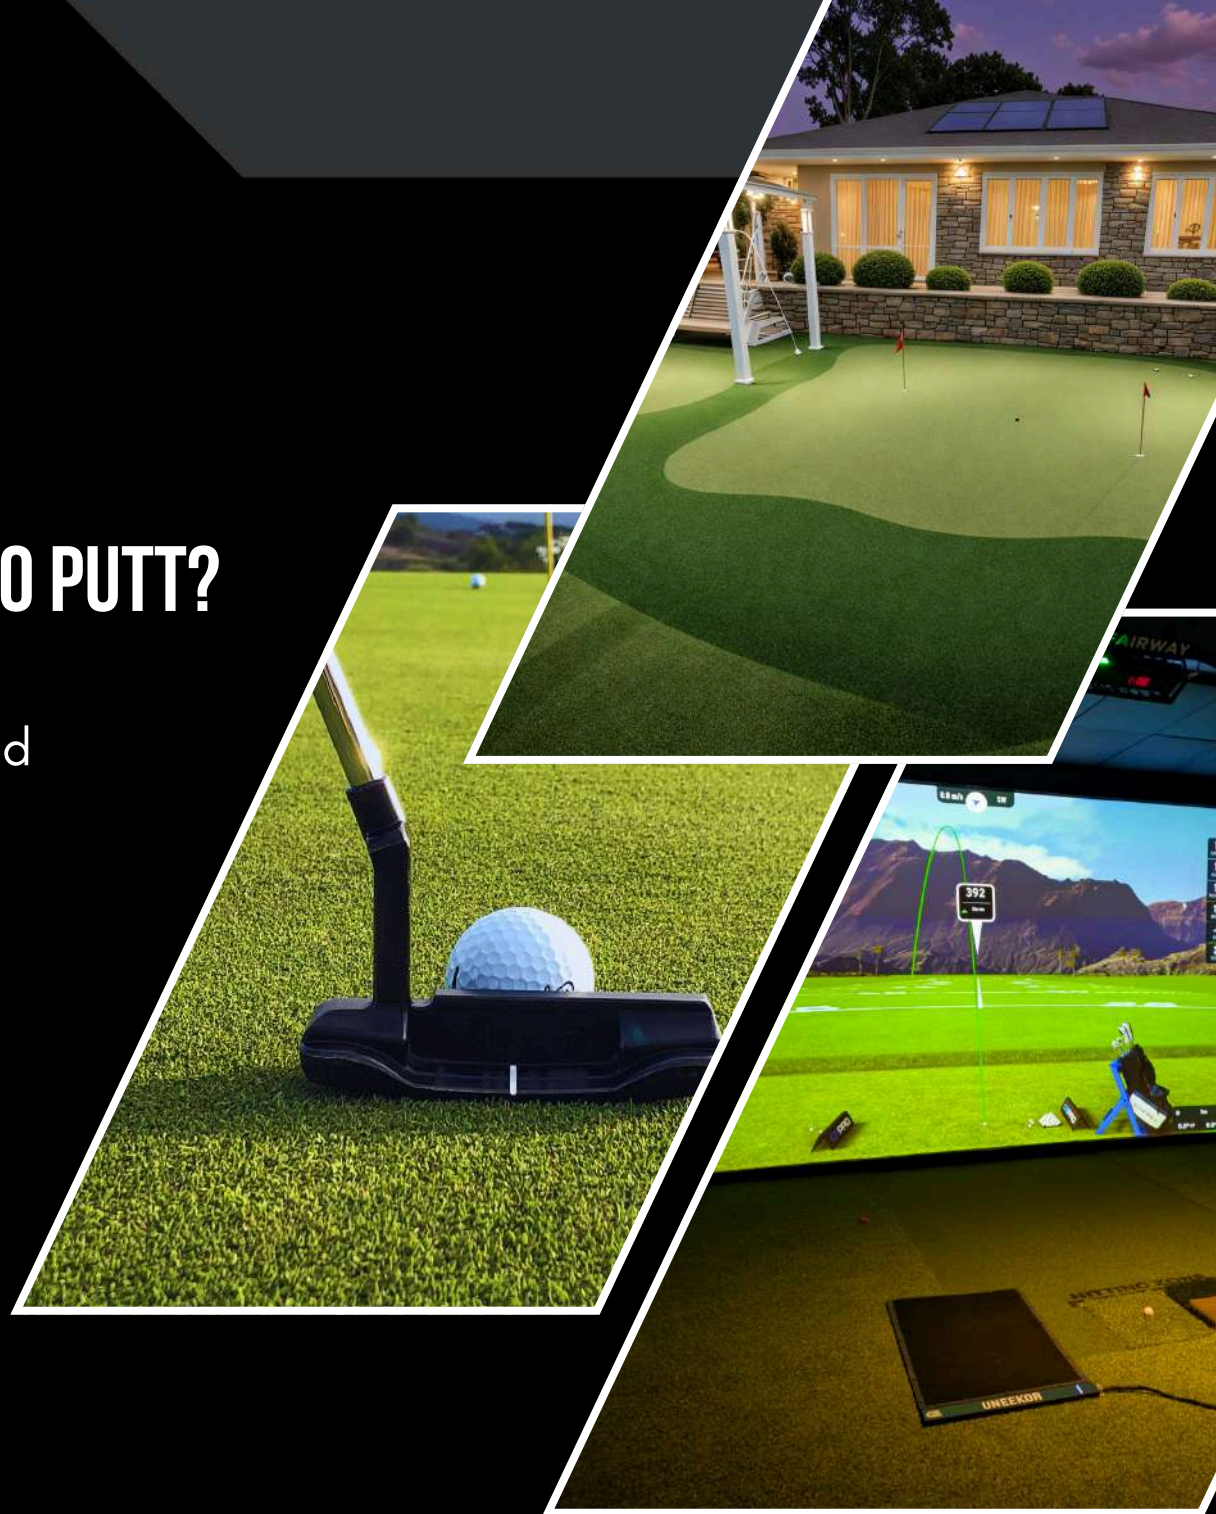

Designed to replicate ball roll & speed

### Fully customisable design

We tailor the layout & colours to your game & space

### Year-round perfection

No mowing, no watering. Just pristine green all year round

# Serious About Sport

You can choose from our extensive range of high-performance sporting turfs, as used in the last six Olympic Games. Whether it's a premier sporting facility, an educational centre, or a local gym, our advanced synthetic turf is perfect for basketball, FIH-approved hockey, FIFA & AFL-approved hybrid football, tennis, golf, and more.

# FROM BIG TO SMALL WE DO IT ALL

With over 20 years of industry experience, our in-house team is the most highly trained in the field, delivering unmatched expertise and professionalism in every project. We specialise in a wide range of installations, from large-scale commercial sporting facilities to smaller backyard sports areas, ensuring top-quality results tailored to each client's needs. Whether it's a stadium or a home practice space, we bring the same level of precision, performance, and care to every job.

# SILVERBACK PLAY LAWN – BUILT FOR PERFORMANCE

## PROUDLY AUSTRALIAN MADE

Designed and manufactured locally for Australian standards, conditions, and quality expectations.

## BUILT FOR PERFORMANCE

Engineered for high-impact use, making it ideal for functional fitness zones, agility training, and indoor/outdoor sports.

## EXTREME DURABILITY

With Silverback's reinforced backing, it withstands heavy foot traffic, weights, and sports equipment without shifting or tearing.

## ATHLETE-SAFE SURFACE

Our turf is non-slip and shock-absorbing underfoot, providing safer training and fewer injuries.

## TRUSTED BY GYMS & SPORT FACILITIES NATIONWIDE

A proven choice for safety, reliability, and long-term value.

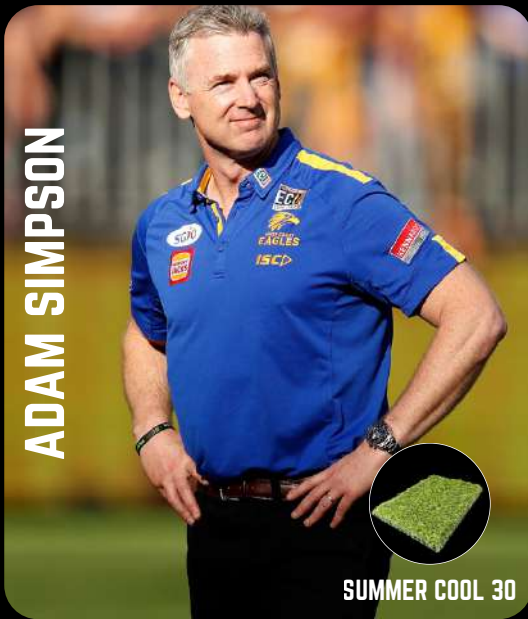

## CUSTOM FIT & INSTALLATION

Tailored solutions for your unique space, whether it's a school gym, rec centre, or fitness club.
